You Are Invited

The Global Pioneerism, Innovation and Excellence Conference (GPIEC) is an annual global event that started in 2015 in Dubai, followed by the second conference in Cairo in 2016. Last year 2017 Dubai hosted our third conference and here we are inviting you for the 4th Global Pioneerism, Innovation and Excellence Conference to be held October 15 – 16, 2018.

The Conference will host a selected panel of professionals from around the globe to share their own experiences, knowledge and ideas. We expect more than 250 participants from more than 20 different countries We invite you all to be an active partner in this event. We welcome proposals for research papers and presentations to the Conference.

The Conference Theme and Topics

The theme of the 4th Pioneerism, Innovation and Excellence Conference is **Innovation and Excellence through building the Learning Culture: Individual, corporate and societal**

The Conference will focus on building the learning culture at all levels, home, work and society at large. We do invite researchers, executives and professionals to share with us their research, experiences and insights on topics such as

- Learning not education
- Building the learning culture at the family level
- Building the learning culture at the social level
- The learning organization
- Corporate culture and social culture
- Technology and learning styles

Youth Innovation and Entrepreneurship Competition

- In association with the Global Knowledge Exchange Foundation (GKEF) , we have launched a special competition for the youth on Innovation and Entrepreneurship. The competition is open for all those who are less than 35 years old and have a new project or innovation that feels it will make a real contribution to the betterment of mankind.
- To participate please contact us to send you the file containing more details on requirements and criteria of selection. Ten candidates will be selected by a panel and the winners will be announced on the closing session of the conference.
- Applicants will be given space to showcase their projects. The objective is to encourage young innovators and entrepreneurs and give an opportunity to promote their projects and seek funding.
- Contact us at info@pioneerism.com
