Dear Sir,

**LETTER OF COLLABORATION FOR THE DEVELOPMENT OF GRASSROOT SPORTS AND
CAPACITY IN NIGERIA**

We are delighted to write to you introducing our organisation, Africa Centre for Youth Sports and Development (ACYSD). ACYSD is a non-governmental organisation whose sole purpose is to develop grassroots sports and build young entrepreneurs, equipping them with resources and providing the appropriate platform for self-expression, achievement and development.

Because our organisation is aligned with FUNVIC's mission of quality education, the constant search for excellence, the transformation of lives, and the construction of a more just society and of peace, and contributing to global sustainable growth; we write to seek your collaboration and support to enable us advance our work and achieve our objectives in the development of youth and sports in Nigeria and Africa.

Attached to this letter is Africa Centre for Youth Sports and Development's introductory profile which provides more details on the scope of our work and vision.

We are excited about the prospect of working with you and we look forward with delight to a rewarding partnership.

Yours truly,

Olayinka Suleiman,
Founder & Executive Director.
